

2 Color Churn Dash

Description:

This quilt is made with only two fabrics and just the Churn Dash block. To make it "positive" and "negative" blocks will need to be made.

Extra fabric is allowed for in the fabric requirements for the quilt as shown above. If a border is wanted then you will need to add that fabric to the amounts given below.

Fabric Requirements for one block:

| FABRICS | Queen/Full | Lap |
|-------------------------------|-----------------------|-----------|
| Coordinate 1 (shown in Blue) | 3.5 - 4 yards | 2+ yards |
| Coordinate 2 (shown in White) | 3.5 - 4 yards | 2+ yards |
| Backing | 7 $\frac{1}{2}$ yards | 3 yards |
| Binding | 1 yard | 5/8 yards |

Cutting:

(Note: directions for cutting are given for those using Triangles on a roll. If using another method to make the half-square triangle blocks then you will need to adjust what is cut.)

| | Queen/Full | Lap |
|--------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Coordinate 1 | <ul style="list-style-type: none">• 7 strips - 10.5" wide by WOF• 22 strips - 2.5" wide by WOF• 3 strips - 4.5" wide by WOF | <ul style="list-style-type: none">• 3 strips - 10.5" wide by WOF• 9 strips - 2.5" wide by WOF• 1 strips - 4.5" wide by WOF |
| Coordinate 2 | <ul style="list-style-type: none">• 7 strips - 10.5" wide by WOF• 22 strips - 2.5" wide by WOF• 3 strips - 4.5" wide by WOF | <ul style="list-style-type: none">• 3 strips - 10.5" wide by WOF• 9 strips - 2.5" wide by WOF• 1 strips - 4.5" wide by WOF |

Piecing:

1. Sew your strips sets together using the 2 $\frac{1}{2}$ " strips of both coordinates that you cut previously. You will need to sew one strip of each coordinate together as shown in the figure below. When finished you should have 22 strips sets if doing the queen and 14 if doing the lap quilt. Cut these strip sets into 196 blocks that are 4 $\frac{1}{2}$ " square for the queen-sized and 120 blocks for the Lap quilt.

2. Make 196 Half-Square triangle blocks by your favorite method. Use the two coordinates for these blocks.
3. Using the 100 Half-square triangle blocks, 100 of the blocks cut from the strips sets and the 4 $\frac{1}{2}$ " squares cut from coordinate 1 - make 25 blocks as shown below. Label these blocks "Block 1".

4. Using the remaining Half-square triangle blocks, remaining blocks cut from the strips sets and the 4 $\frac{1}{2}$ " squares cut from coordinate 2 - make 25 blocks as shown below. Label these blocks "Block 2".

- Sew the blocks made in step 3 and step 4 together as shown in the diagrams immediately below. You will make 4 rows for the Queen Size and 3 rows for the Lap Quilt.

Queen -

Lap -

- Sew the blocks made in step 3 and step 4 together as shown in the diagrams immediately below. You will make 3 rows for the Queen Size and 2 rows for the Lap Quilt.

Queen -

Lap -

- Sew your rows together alternating rows. Start and end with Row 1 for either size. Pictures of the finished quilt tops are at the top of the pattern for the queen size or the bottom of the pattern for the lap quilt. Press your seams flat.
- Add a border(s) now if wanted.
- Quilt and bind as desired.

Note: Be sure to use a scant $\frac{1}{4}$ " seam allowance when sewing the squares together.

Lap Quilt -
