Black Embroidery Thread for antenna and stinger if desired

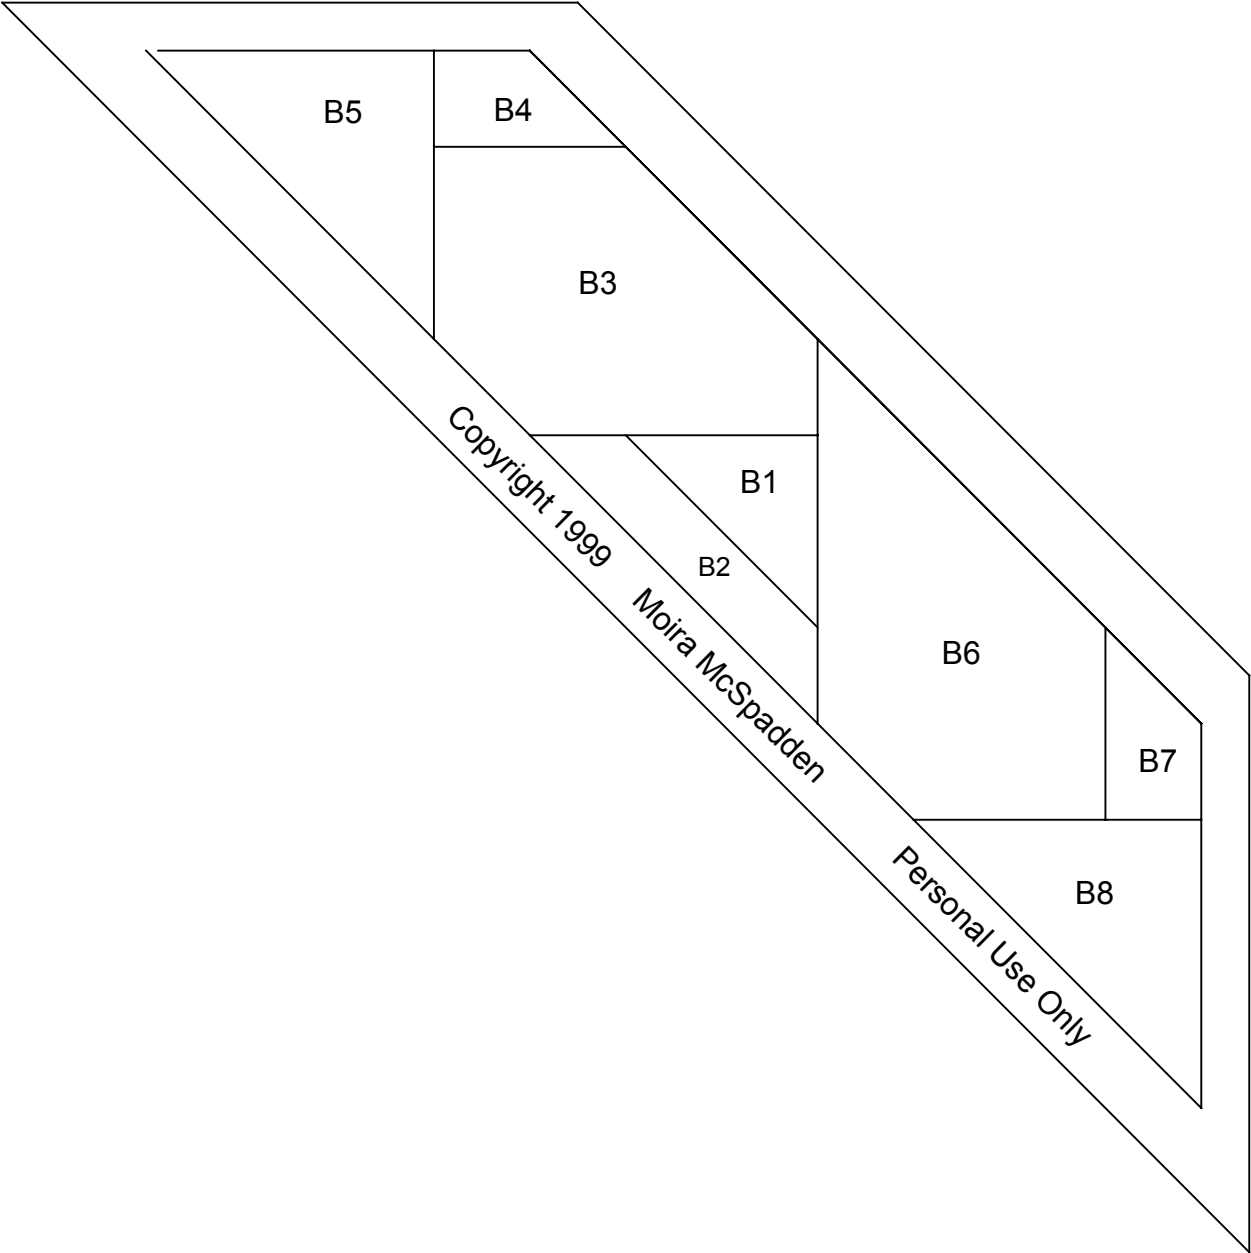

This block is comprised of 3 separate sections. You will need to make 1 each of the three sections. Sew the sections together as indicated in the picture below. Once the block is complete and the paper has been removed, embroider antenna and a stinger for the bee if desired. This block finishes at 6”.

Section A – Make 1

Section B – Make 1

Section C – Make 1
