

O Susannah Block

Focus Print – Section 3
Coordinating Fabric – Section 2
Background Fabric – Section 1

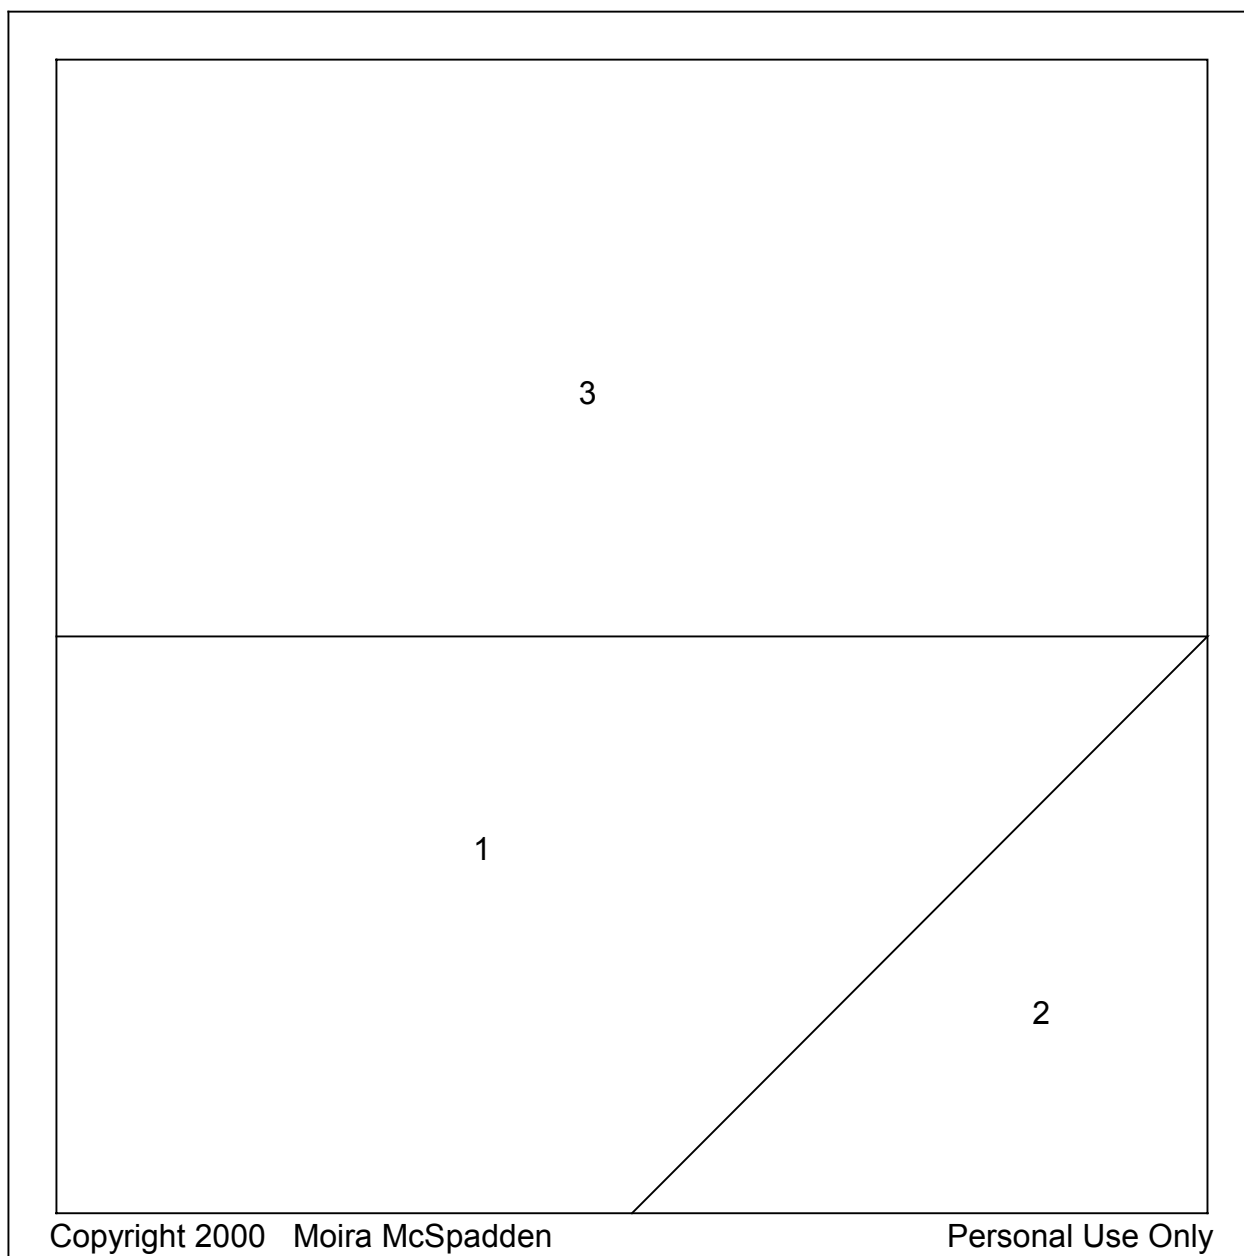

There is one section for this pattern and you will need to make 4 of them for each completed block. After completing the individual sections, sew them together as shown in the diagram below. On the following pages the section pattern is given for both a 6” finished block and a 12” finished block.

6" finished size – Make 4 individual sections for the finished block

12” finished size – Make 4 individual sections for the finished block
