

Scrappy Star Block

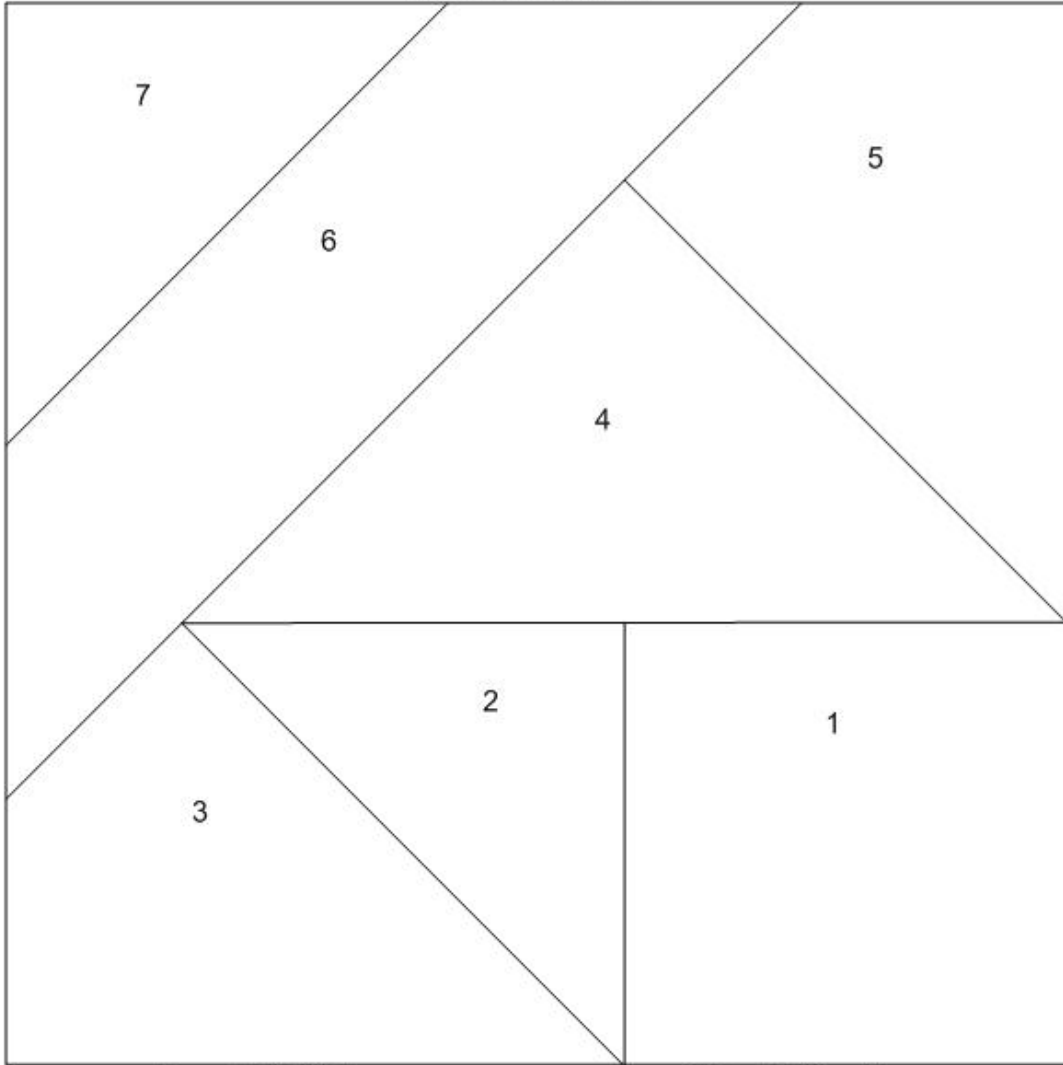

Color Placement for One Block:

Fabric Colors	Sections
Assorted scraps	2,4,6,7
Background	All remaining pieces

Piecing:

1. Print 4 patterns of the pattern below for each block that you wish to make.
2. Sew the pieces to the pattern starting with piece #1 and ending with #7. Press flat.
3. Make 4 sections for a complete block.
4. Trim the 4 sections to a $\frac{1}{4}$ " seam allowance.
5. Be sure to turn each section 90 degrees so that you have a square in the center of the block when laying out them out prior to sewing them together as shown in the figure above.
6. Sew the 4 sections together and then remove the paper from back of the block.
